Match - Making event

2 November 2007

HIT Park Hemeius, Str. Garii nr. 10

Regional Investment Forum

North-East Romania

Fourth Edition

Bacau, 1 - 2 November 2007

These events intend to bring together representatives of public authorities, business environment and universities from the region, to approach important themes:

Structural Funds absorption – a challenge for everyone

The conference in plenary sessions offer the opportunity to find out useful information regarding the **funding programs** and **the conditions for accessing European funds**, and during the Match-Making event you can identify the resources and the partners that could change your idea to an eligible project.

Solutions for a sustainable regional development

The debates that are to be carried out during this event make use of the **innovative approach** and the **economic competitiveness** as important elements for eliminating the disparities between the regions.

A clean environment – a responsibility which can be funded

There will be presented the funding opportunities for the projects intended for **waste management** and **environment protection**. Italian partners will share their experience regarding similar projects implementation.
